Wooltex Suit Week

THE FASHION EVENT OF THE SEASON — to which all VISITORS as well as our home people are more than WELCOME.

What to Wear this Fall

AMERICA'S pre-eminent Fashion Artists present to you their most beautiful designs and most authoritative styles in the new Wooltex Suits and Coats.

As The Store That Sells Wooltex in this city, it is our pleasure to bring these new fashions direct to you. They are charming; they are beautiful; they are refined; they are becoming; they are correct.

Such a collection of authoritative styles in tailored suits and coats is made possible only by the concentrated efforts of artists who, as individuals, represent the best thought of the fashion centers of the world.

The best artistic skill of Paris, London, Vienna, New York and Cleveland is represented in these designs, all of which have received the approval of Madame Savarie, director of the Wooltex Fashion Bureau in Paris.

Here are the correct style features to look for when you choose your tailored suit or coat for fall and winter.

- Natural Figure Lines** To be correctly dressed, your tailored suit must show the lines of the natural figure—not tight-fitting, but with graceful curves.
- Stylish Jacket Features** Most suit jackets are hip length, though slightly longer ones are also in style. Fur and velvet on collar, cuffs and lower edge is especially modish. The collars are wide, to be worn close about the neck or flat, with wide revers to correspond.
- Skirts Have Plaits** Skirts are moderately full—two to two-and-one-half yards. The fullness is laid in soft rolling or closely pressed plaits.
- Coats With Graceful In-curve** Coats have a graceful in-curve at the back, with full flaring skirts. Many handsome new models are big and loose, some being loosely belted to give the modish flaring outline effect.

WOOLTEX Tailored Suits and Coats embody all these authoritative style features. And to their stylish beauty are added the well known superiorities of Wooltex materials and Wooltex tailoring. Give yourself the pleasure of seeing these new fall styles now. Try them on, if you wish. See how becoming and graceful the new modes are. Choose your suit or coat now. Have the pleasure of being stylishly and handsomely dressed throughout the full season.

Suits at \$25 to \$65
Coats at \$16.50 to \$45
